

### Product Description

**T8015** is a single sided PET Film with an optically clear adhesive

### Product Features

- A PET clear filmic backing
- A optically clear, solventless UV cured acrylic adhesive
- Excellent clarity
- RoHS compliant technology, ask for Certification
- Available in widths to 600mm and in 50 metre rolls
- The T8015 is 0.15mm in gauge but for extra protection and impact resistance there is the T8025 (0.25mm) available ex overseas for firm order

### Benefits

- ✓ A low tack peelable adhesive makes it suitable as a temporary or permanent protective tape. Should easily remove without leaving a residue
- ✓ Suitable for die-cutting into circles and then used as a clear tab for holding items (e.g. on corners of notes/signs onto glass)"
- ✓ Excellent thermal stability to 120°C
- ✓ As the product is immiscible in water it cannot be tested for pH and so, as such, could be deemed to be pH neutral
- ✓ UV cured adhesive system and so environmentally friendly

### Key Markets

- For merchandising and promotions, particularly in tab form
- Exhibition, Point of Sale, Display for mounting on smooth surfaces
- As a clear protection to stop scuff and abrasion to delicate surfaces e.g. white goods, electrical equipment, furniture and brushed stainless steel finishes
- As an aesthetic seal over vents to reduce air leakage and improve energy efficiency when appliances/equipment not being used
- As a screen protector to prevent impact damage

#### DISCLAIMER:

**Values:** All values presented have been determined by standard test methods and are average values only.

**Recommendations:** Whilst we are happy to recommend products from our range for applications, it is imperative that the customer/user complete their own tests to determine suitability for their application under "working conditions" and if longevity is important, that ageing tests be carried out.

**Warranty:** We can only warranty our products to the level that they are consistent with our Product Information Sheet values

**BUT CANNOT accept any responsibility or liability direct or consequential for loss or damage caused as a result of our recommendations.**
